## **\*\*SUMMER SCHOOL 2017\*\***

This Summer there is a good deal of construction and renovation going on in the district so there are a couple things that are unique to Summer School 2017. First we will be serving meals in the sports complex lobby while the cafeteria kitchen is renovated. All students are asked to enter the building through the sports complex entrance where breakfast will be served. Second, we will be sharing our building with grades 3-5. This will have a dramatic impact on traffic around school during both drop-off and pick-up time. Please be aware use caution to keep everyone safe.

### **THE SCHEDULE**

High school summer classes are divided into two sessions, each session a student takes and successfully completes receives a ½ credit. A student is welcome to stay for the free lunch or come in early for the free breakfast. For a credit to be awarded a student must have nearly perfect attendance the entire summer school session – state requirement for a credit to be awarded. If you have questions or concerns please call Mr. Ellebracht at 573-581-4296 x3007 or to Dr. Templeton at 573-581-3773 x2404.

### **ATTENDANCE**

All students enrolled in summer school are expected to have 90% attendance. If a student misses more than two days of summer school, he/she should not expect to receive credit. In the event of exceptional circumstances, the summer school administrator, will need to be notified in advance. Depending on several factors, a plan to overcome insufficient attendance may, or may not, be approved. It is important to remember that due to expedited nature of summer school, each day of summer school equals over 5% of the semester.

### **BREAKFAST & LUNCH**

Breakfast & lunch will be offered each day FREE of CHARGE to all children through age 18. This is sponsored by Missouri Department of Health and Senior Services and USDA. USDA is an equal opportunity provider. For all enrolled high school students it is NOT mandatory they stay on campus between the AM and PM Sessions.

### **TRANSPORTATION**

#### **There is no mid day bus transportation.**

For guaranteed bus service starting first day, your student must be enrolled before May 10th. Make sure you fill out the transportation piece whichever method of enrollment you choose. A letter will come home before school is over listing your student's bus information and class assignments. Please make sure you check this over for correct information.

All transportation questions call **Jennifer Fowler 573-581-3773, x2405.**
