

MRTF – Missouri Retired Teachers Foundation

Dear Principal,

The Audrain County Area Public School Retirees (ACAPSR) unit is a regional part of the Missouri Retired Teachers Association. Each year, our Foundation offers classroom grants to active teachers and PEERS (support/staff) members. The attached application forms are for \$500 classroom grants sponsored by the Missouri Retired Teacher Foundation.

Please feel free to duplicate the forms for any teacher or PEERS member who would like to apply for materials to supplement their classroom or program. Six grants to teachers and one grant to a PEERS member within Audrain County will be awarded by MRTF to be notified by August 31st. As a gift from our MRTA Unit, an additional 8th grant will be awarded by ACAPSR members to a classroom teacher within Audrain County.

Grant applications are due by June 30, 2024 to the MRTF Office in Jefferson City. Contacts for questions regarding the application and mailing information are given on the application form. See www.MRTF.org

Please encourage your teachers and PEERS staff to participate as it thrills us to award grants to support the valuable work they do in the classroom and school for their students and ultimately the school community.

Best Regards,

Diana Henage and Deborah Teague
