

Safe Return to In-Person Instruction and Continuity of Services Plan

#BulldogNationAheadofthePack

Mexico School District #59

Plan Development for Re-entry and SRCSP Planning

Mexico Public Schools was able to utilize the district's 2020 Re-entry Plan to successfully start school in August 2020 last year. School re-entry and re-opening documents provided an opportunity to review practices and policies. This SRCSP document offers guidance on how the district will consider approaching the continued operation of our schools and facilities during the 2021-2022 school year. These guidelines, along with coordinated approaches, will assist to safely continue academic, extracurricular, and athletic activities. Aligning these with district strategic goal areas allows for encompassing all planning aspects. This document is intended to hold hope for the best as we continue safe operations to maintain the health and safety of all students and staff.

Mexico Public Schools is excited to begin on August 25th, 2021. Students will continue traditional face-to-face classes for the start of the 2021-2022 school year. There were several safety measures in place when students returned to school in August 2020. You will see that many of the safety measures implemented during the 2020-2021 school year will continue to be in place for the 2021-2022 school year. Mexico Public Schools will make every effort to minimize contact to Covid 19 and other communicable diseases; however, attending will inherently introduce a greater risk of exposure.

Mexico Public Schools plans to move forward with school on August 25, 2021, unless the federal, state, county, or local health departments require us to close. Procedures may or can be modified at any time. It is impossible to plan for every scenario and situation.

The original 2020 Re-entry Planning Team collaborated to develop plans for the 2020-2021 school year. This team provided input in original planning and was given the opportunity to provide input on this SRCSP.

Mexico School District #59

Return-to-School Guidance

Beginning in the spring of 2020 and continuing throughout the summer of 2020, Mexico Public Schools conducted meetings to develop a safe re-entry plan. The plan incorporates guidance from the CDC, the American Academy of Pediatrics, the Department of Elementary and Secondary Education, the Department of Health and Senior Services, the Audrain County Health Department, and a Covid 19 team consisting of community and MPS staff stakeholders. This plan was developed to safely and effectively re-open our schools. The safety of our students and staff are paramount, and implementation of this plan was developed by what is feasible, practical, acceptable, and tailored to the needs of the Mexico community.

GOALS OF BULLDOG NATION

SAFE RETURN TO IN-PERSON INSTRUCTION

- To continue in-person learning as a district
The importance of in-person learning is well-documented and is the primary goal of MPS. Beyond the educational impact, there has been substantial impact on social interactions, mental health, food security, and physical activity for some children and families. Our goal is to keep students as close to a traditional educational setting as possible while also having safeguards in place for their health and safety.
- To maintain and promote the health and safety of our staff and students
As a district, we will utilize information and guidance from the Audrain County Health Department, the Department of Health and Senior Services, and the Missouri Department of Elementary and Secondary Education to evaluate and adjust our Safe Return Plan as needed.

OUR SAFE RETURN TO IN-PERSON IS A PROCESS THAT INCLUDES THE FOLLOWING:

- CONTINUED SANITATION
- PARENT EXPECTATIONS
- PHYSICAL DISTANCING
- BUS SAFETY
- STAFF AND STUDENT SCREENING MEASURES
- PROCEDURES FOR COVID-19 INFECTIONS
- CONTACT TRACING
- PERSONAL PROTECTIVE EQUIPMENT

INTRODUCTION

The top priority for the Mexico School District remains the education of our students. Additionally, we recognize the importance of implementing reasonable precautions to ensure the health, safety, and well-being of students, employees, and community members.

Our Safe Return to In-Person Plan is a fluid document, changing as the circumstances dictate and based on guidance we receive from national, state, and local health experts. Please check the district's website at mexicoschools.net for the latest information.

This document highlights reasonable precautions the district intends to implement and is designed to assist parents and families in making the best decision on behalf of their child.

#BULLDOGNATIONAHEADOF THEPACK

Continuity of Services

Procedures have been developed to support the continuity of services for students should an interruption of in-person instruction occur.

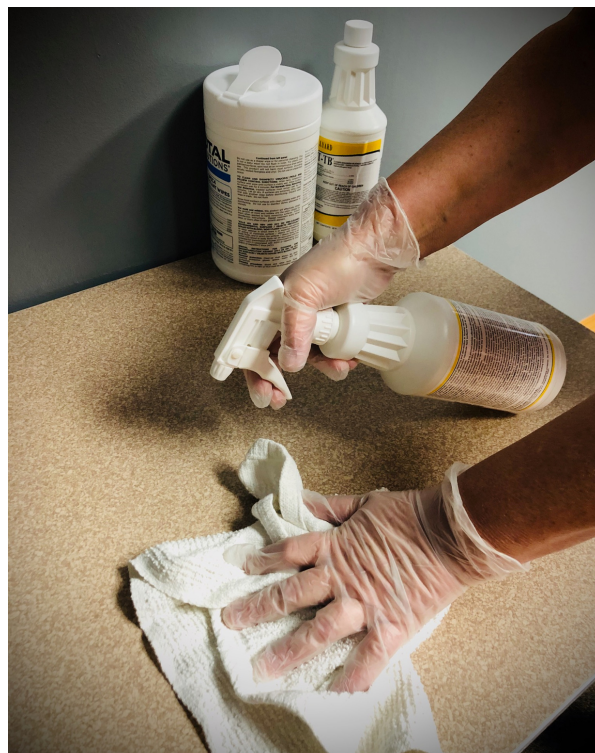

Depending on the grade level and specific needs of the student, teachers will use a variety of instructional strategies including, but not limited to, remote participation through video, interactive lessons shared through Google Classroom, virtual meetings with the classroom teacher and/or school counselor or social worker, and learning packets.

MPS has a well-developed system of social, emotional, and mental health supports throughout the district. In addition to employing the recommended number of professional school counselors at each building, MPS has 4 full-time social, emotional, behavioral staff members to support the wellness of students and staff. Whether in-person or learning remotely during quarantine, staff will check in with students on a regular basis to ensure their social, emotional, and mental health needs are being met.

CLEANING & MAINTAINING FACILITIES

- Nightly, targeted cleaning of high-touch surfaces and all classrooms
- Nightly, the Hydrostatic guns will be used to spray school buses and used, as needed, in classrooms.
- Daily, desks and high-touch areas will be cleaned.
- Cleaning materials will be readily available. Staff will be expected to support the cleaning and disinfecting of classroom surfaces and supplies, as needed.
- As needed, the playground equipment will be cleaned.

KEEPING YOUR CHILD & FAMILY SAFE AT HOME

Wash hands with soap and water for at least 20 seconds. Use alcohol-based hand sanitizer if soap and water are unavailable.

Cough or sneeze into your elbow or a tissue. Throw the tissue in the trash. Wash hands or use hand sanitizer.

Avoid touching your face with unwashed hands.

Clean and disinfect frequently touched objects and surfaces.

Avoid contact with people who are sick and stay home if you are sick.

#MEX59TLC

as of 6/23/21

HANDWASHING & RESPIRATORY ETIQUETTE

Mexico School District #59 staff will be intentional and dedicated to teaching proper hand washing and respiratory etiquette and maintaining heightened protocols for symptomatic individuals.

Hand sanitizer will be placed in every classroom and in communal areas.

Students and staff will have times throughout the day to wash/sanitize hands.

Masks will be available to students and staff, as needed.

Bus drivers will undergo sanitation training, and all school buses will be thoroughly sanitized after each route.

**The Centers for Disease Control and Prevention (CDC) recommends washing hands for at least 20 seconds to stop the spread of COVID-19.*

SONGS FOR A 20-SECOND* SCRUB

Song: "Happy Birthday"

"Happy birthday to you,
Happy birthday to you,
Happy birthday dear (insert name)
Happy birthday to you"
(Sing twice)

Chorus: "Let It Go" from Frozen

"Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door!
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway!"

Chorus: "Just the Way You Are" by Bruno Mars

"When I see your face
There's not a thing that I would change
'cause you're amazing
Just the way you are
And when you smile
The whole world stops and
stares for a while
'Cause you're amazing
Just the way you are"

Mexico School District #59 will strive to create an environment that supports health guidelines without interrupting the education of our students.

MASKING

- Masks will be optional for individuals while on District property.
- All students and staff are encouraged to wear a mask when physical distancing is not possible.
 - Disposable masks are available upon request.
- Masks are still required on school buses. (per federal requirement)
 - Disposable masks are available to students for loading and unloading from the bus.

PHYSICAL DISTANCING

- Staff and students will do their best to maintain as much distance as possible from others within school buildings.
- Seating charts will be given within classrooms when occupying common areas and for riding the bus.
- Small groups will be utilized to the extent possible. This will assist with contact tracing.
- Modifications within the school day will be made as needed.
- Modifications to meals will be made as needed.

VACCINATION EFFORTS

- Last spring, MPS notified all staff of local vaccination events, which included sign-up information.
- MPS will continue to collaborate with ACHD to bring awareness to and publish vaccination events for staff and students.

DIAGNOSTIC & SCREENING TESTING

- Testing for Covid-19 is provided in Mexico, MO and with health care providers
- MPS will continue to collaborate with ACHD to host testing events in the event of an increase in cases.

DAILY SELF-SCREENING CHECKLIST

- ☒ No fever or chills
- ☒ No cough
- ☒ No shortness of breath or difficulty breathing
- ☒ No sore throat
- ☒ No headache
- ☒ No muscle aches
- ☒ No nausea, vomiting, or diarrhea
- ☒ No new loss of taste or smell
- ☒ No new runny nose or congestion
- ☒ No close contact with a person with Covid-19 in the last 14 days

**FEELING SICK?
STAY HOME!**

**CONNECT WITH
YOUR SCHOOL**

**TAKE TIME TO
FULLY RECOVER**

Procedures for Covid-19 Infections

- Students or staff who display symptoms of Covid-19 while at school will be moved to a designated area within the school building to minimize contact with others.
- If your child was found to be at sufficient risk for exposure through contact tracing, you will be contacted.
- Exposure in the school setting is defined as being within 3 feet of the positive person for a cumulative of 15 minutes.
- If a person is fully vaccinated, they will not have to quarantine unless they develop symptoms.
- If you are exposed and made to quarantine, it will be for 10 days since the exposure, unless you develop symptoms. Then it would be for at least 14 days and testing is recommended.
- A negative Covid test will not shorten the quarantine time.

What is contact tracing?

- Contact tracing is used to prevent the spread of infectious disease.
- In general, contact tracing involves identifying people who have an infectious disease (cases) and people who they came in contact with (contacts) and working with them to interrupt disease spread.
- This includes asking people with Covid-19 to isolate and their contacts to quarantine at home voluntarily.
- Contact tracing is a core disease control activity. It has been used for decades to slow or stop the spread of infectious disease

Source: The Centers for Disease Control & Prevention

Students and staff may be contacted to assist with contact tracing efforts, review seating charts, and determine which individuals the positive case had contact with while contagious.

ADDITIONAL INFORMATION

Accommodations for Children with Disabilities

- MPS will create and follow accommodations, as needed, for students with Individualized Education Plans, 504 Plans, or Health Plans

Social, Emotional, Behavioral Considerations

- In addition to school counselors, MPS has 4 full-time Social, Emotional, Behavioral staff members who will monitor and work with students and staff who exhibit social, emotional, and mental health needs. Whether in-person or learning remotely during quarantine, specialized staff will check in with students on a regular basis.

Periodic Revision

- This SRCSP will be reviewed at a stakeholders meeting on November 1st, 2021 with updates and revisions to be finalized by December 17th, 2021. The plan will be reviewed again in the spring, and updates and revisions will be finalized by June 17th, 2022. Periodic revision will continue for the life of the plan dependent on current public health needs.
