

# Mexico Public Schools

March 22, 2020

Dear Mexico 59 Parents:

We understand that some of our families rely on the availability of school meals for proper nourishment. As part of our emergency plan to address the closure of schools, we will provide a curbside meal of a cold lunch with breakfast for the following day. This food is being prepared by our highly trained Food Services staff in the school kitchens.

Beginning on Wednesday, March 25, there will be six locations available for curbside meal pick up for children 18 and under. According to state food service guidelines, the child must be present to receive the meal. We have a sign up for meals, only to help determine an approximate count; we do not need the names of those receiving a meal. [Please reserve a meal here](#) if you have not already.

Or, if you need assistance in requesting meals, please call Central Office at 573-581-3773.
